

Drugs Policy statement

Drugs Policy Statement

- Premises should have a written drugs policy with a zero tolerance.
- The policy should give strict, appropriate guidelines for staff to follow when drugs are either found or seized from customers.
- There should be an audit trail, which protects the integrity of both the individuals concerned and the licensee, which should be available for inspection by the police.
- Staff training and drug awareness should be considered.
- Appropriate signs should be displayed stating the venues zero tolerance policy to customers.
