

The logo for 'Cider Festival' is centered on a light beige, textured background. The word 'Cider' is written in a large, red, cursive script with a white outline and a drop shadow. A small red apple icon is positioned above the letter 'i'. Below 'Cider', the word 'FESTIVAL' is written in a bold, blue, sans-serif font with a white outline and a drop shadow. A decorative red and white swoosh underline is located below 'FESTIVAL'. The entire design is surrounded by various autumn-themed illustrations: red and green leaves, a red apple, a red teardrop, and an orange with a leaf.
